NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of mustering-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Form 1.—This blank will be used for both enlistments and re-enlistments. It is the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

Form 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

**NOTE 1.**—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commissioned officer commanding the company will certify to the act of the delivery of the duplicate certificate; on these certificates the Soldier is "entitled to," his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. This discharge is to be given back to the Soldier by the Paymaster; the latter only retaining at his residence the duplicate certificate.

**NOTE 2.**—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

**NOTE 3.**—When a Soldier is furnished with final statements, he describes, in full, if he has one, should be taken up by the officer who gives the Soldier these statements and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. **NOTE 8.**—When a Soldier dies in Hospital of an epidemic disease, the Adjutant General's Office, Washington, D. C., will send him with his final statement, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension &c. A muster-in will must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Rank, Private

Where gone, Hillsboro, Ill.

Length of Furlough, Thirty days

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of volunteer, &c. &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the returning return of the superintendent (not the returning officer) to the Adjutant General, and one to accompany the returns of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will counter-sign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Length of Furlough, thirty days

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A mustered-in recruit, in all cases, precedes payment of pay, bounty, pension, &c. A mustered-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, at the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Name, <sup>Vinney</sup> Thomas M. <sup>St.</sup>

Rank, Private

Where gone, New York, C.

Length of Furlough, thirty days

Co. G. 26<sup>th</sup> Regt Mo. Inf.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, or the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Lieut.

I hereby apply through you to the proper authorities for a leave of absence for thirty days to go to California Mo to visit my family and attend to some business affairs which have been unsettled since the beginning of this war and which require my personal attention

I have been in the service of the U. S. since June 1861. I have never had a leave of absence and have never at no time been absent from the Battery, and there being no officers left in the Company I hope that my application may be regarded favorably

Respectfully Yours Very Truly

**[HERE NOTE IMPORTANT COMPLICATIONS AND ALL OPERATIONS.]**

**RESULT AND DATE.**

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The enlisting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

I CERTIFY, ON HONOR, That I have carefully examined the above-named Volunteer, agreeably  
to the General Regulations of the Army, and that, in my opinion, he is free from all bodily defects and

Sir

I am assigned the unpleasant duty of  
reporting the shooting of a Soldier by the Guard on  
last night. The Guard arrested a Soldier on the Cor  
of 5<sup>th</sup> & 1<sup>st</sup> Belmont in a Saloon. He was under the  
influence of liquor. He broke guard, and being beaten  
three times, did not do so, when the guard fired at him,  
the ball striking him under the right shoulder blade  
coming out at the top of the shoulder. He was sent as  
soon as a conveyance could be procured, to Hickory St  
Hospital, where he was properly cared for. His name I  
did not learn, but supposed he belonged 3<sup>rd</sup> Mo Cav

# FINAL STATEMENT

1197

Private

Levin, Maurice CA

26 Regt of Machine Guns

## VOLUNTEERS.

April May 5 1917

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commissioned officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the holder is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the holder by the Paymaster; the latter only retaining as his voucher the duplicate certificate.

NOTE 2.—If the soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the soldier these statements, and endorsed with a statement to that effect by the officer. This endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statement, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowance that may be due him at the time of his discharge, and which may not appear on his final statement. From the fact that his descriptive list is lost. These accounts for back pay, &c., are sent by the Adjutant General's Treasury Department.

NOTE 4.—Charges for loss or injury to government equipment, and other miscellaneous charges, should appear under heading of "Other Discharge."

NOTE 5.—Bounty paid by State or Federal Government, or the United States, will not be entered on this statement.

NOTE 6.—Accounts due the Soldier and Landwarrant should be entered on the muster roll on which the discharge, death certificate, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—When a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statement, in duplicate, to the Adjutant General's Department.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment binds to service. A master-in must, in all cases, precede payment of pay, bounty, pension, &c. A master-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The mustering officer, commissary, or assistant commissary of musters, at the time may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

Received (A. G. Office) ..... 186

186

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—in the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

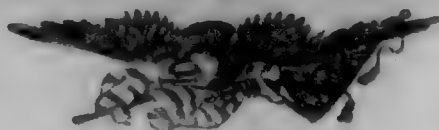

When a *probable* case for promotion, *special* care must be taken to state the *degree* of disability—as *b, b, c, &c.*; to describe particularly the disability, wound or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharge by Medical Inspector, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree and origin of which are correctly described in the within certificate." Par. 1250 Regulations, Ex. 1961.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

This certificate will be made out in duplicate by the soldier's company or company or district officer commanding the separate detachment; it will be the source and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward three papers to the regimental adjutant, or post commander, who will forward them, with his own endorsed return, through the proper channel, to the division commander; or if the papers are not attached to a division, to the corps, department, or other commander or officer or to the authority to discharge entitled. It may be specially designated.
